Dear Sir/Madam,

I have known Adrian Lemus for 3 years through my association with North Star Football Club. I have found him to be an honest and forthright young man. He has assisted with many activities without hesitation when requested. He is a valuable member of North Star since establishing and maintaining the club website for the past three years.

It is my pleasure to know him and witness the rapport he has established with the players that he has been associated with through the training of junior teams and playing as a member of a team.

Regards,

Terry Scharf
Registrar
